R4’s 2019 Inaugural Golf Tournament

R4’s Inaugural Charity Golf Tournament was more than we could have ever imagined! It was one of the largest Inaugural Golf Tournaments that Lake Presidential Golf Club has ever hosted. Our goal was to have 72 golfers sign up, but we had 105!

It was an amazing day of golfing and networking. We had tremendous sponsors as well as donors. The raffle items ranged from a \$250 bottle of wine, a \$1000 Gift Bag from Saks 5th Avenue to a one week stay at a Villa in Costa Rico. It was a great time to be had by all.....

The International Coalition for Children with Incarcerated Parents

Dr.Bell was afforded the opportunity to attend this year’s Conference, which was held at the University of Huddersfield, UK from 12-14 August 2019. The Conference was a three-day event with presentations, workshops and symposiums focused on the impact of parental imprisonment. It was an opportunity to network and share ideas and best practices with people from across the world!

Combined Federal Campaign (CFC)

R4 was selected to be a part of this year’s 2019 Combined Federal Campaign. CFC is the workplace giving program of the Federal Government. It is the only time that the Federal Government can ask an employee to donate money. The objective of CFC is to lessen the burdens of government and of local communities in meeting needs of human health and welfare. The mission of the CFC is to promote and support philanthropy through a program that is employee focused, cost-efficient, and effective in providing all federal employees the opportunity to improve the quality of life for Non-Profits.**CFC# 65758**

Rehabilitation, Reform & Reentry Resources, Inc. (R4)

was established in 2018. Our Vision is to change the culture of Incarceration one returning citizen at a time.

The Mission of R4 is to provide the necessary resources to ensure those who are returning from incarceration can have another chance at becoming productive, law-abiding citizens.

We are considered a “One Stop Shop”. With that said, R4 partners with other organizations that provide services that returning citizens may need. If we do not provide a particular service, we work with everyone to ensure they are given what they need from other Organizations.

We have helped hundreds of returning citizens as well as their children since we stood up in 2018. Our most recent success story is about a returning citizen from Columbia S.C. This young man was released from prison in July 2019 as part of the First Step Act.
